SEC. 2. The appropriations herein provided are to be construed as the maximum sums to be appropriated for the purposes named herein, and no expenditures shall be made nor shall any obligations be incurred, which added to the actual expenditures will exceed the amounts herein appropriated for the several purposes, except as otherwise herein specifically provided.

Provided that no item in this appropriation shall be used for traveling expenses outside of the State except upon the approval of the governing board for the particular institution.

All appropriations for extension services provided in this bill are hereby stricken out excepting for the University of Texas, Agricultural and Mechanical College and College of Industrial Arts, and no funds of any of the institutions named in this bill except the University of Texas, Agricultural and Mechanical College and College of Industrial Arts shall hereafter be used for or in behalf of extension service.

Provided that there be an annual audit made showing all receipts and expenditures itemized, of the various schools provided for in this bill, one copy of which shall be filed on or before the first day of November of each year with the Governor of the State; provided that the biennial report of the governing board of the several institutions shall contain a financial statement which shall contain the number of instructors and employees of the particular school and the salary received by each.

Provided that all printing and stationery of the educational institutions for which appropriations are herein made shall be purchased through the Board of Control, and shall be confined to such articles and qualities as selected and contracted for by the Board of Control.

Provided that any moneys appropriated herein which may be expended for printing and binding may be used to reimburse institutional print shops where the art and science of printing

and binding is taught, or where institutional printing and binding shops are maintained and operated, provided however that all print supplies and equipment therefor shall be purchased through the Board of Control.

Provided the various Boards of Regents or Directors of said state educational institutions shall be authorized to make such changes and substitutions within the totals for salaries as may be found necessary, the total sum not to exceed the total amounts appropriated for salaries.

Provided that the various Boards of Regents or Directors of said educational institutions shall be authorized to make such changes and substitutions within the totals appropriated for Departmental Maintenance and Equipment as may be found necessary, the total sum not to exceed the total amount appropriated for such purposes; and

Provided that the various Boards of Regents or Directors of said educational institutions shall be authorized to make such changes and substitutions within the totals appropriated by General Maintenance and Miscellaneous as may be found necessary the total sum not to exceed the total amount appropriated for such purposes.

Provided that no property belonging to any institution for which an appropriation is provided for in this bill shall be sold or disposed of without the consent of the governing board of said particular institution, and all proceeds for the sale of any such property, or from labor performed, shall become a special support and maintenance or contingent fund of said institution to be expended under the direction of the governing board of said particular institution as said board may deem proper.

Provided further that a report shall be made annually by each of said institutions and filed before November the first after the close of the fiscal year, with the Comptroller, and a copy thereof filed with the State Board of Control, giving an itemized statement of all moneys paid out and showing what particular appropriation or fund said money was taken from; and an itemized statement of all purchases or contracts which have been made and remain unpaid at the close of the fiscal year, also a statement showing the full amount of money taken in from all sources during the year. Said reports shall show what disposition was made of such fund or funds and if any surplus remains on hand at the end of any school year, it shall be so stated in said report.

Provided further, that no person shall be employed in the Extension Service administration who has not first stood a satisfactory examination before the faculty of the A. & M. College of Texas, or a committee of not less than five, selected from the said faculty by the President of the said A. & M. College. Said examination shall be conducted at such time and place as shall be decided upon by the faculty or the committee herein provided for.

Provided that the interest of all securities held by the Texas school for the Blind is hereby appropriated in part payment

of the appropriations for the Texas School for the Blind, and the remainder of the appropriations to be paid out of the general revenue of the State.

Provided, further that all contracts and undertakings entered into under and by virtue of the terms hereof for repairs, improvements or new buildings, and for furnishing and equipping of buildings for the several institutions hereinbefore provided for shall be made strictly within the limits and terms of the appropriations made for such purposes. And it shall be the duty of the managers and directors of the various institutions in the consideration and adoption of plans, specifications and contracts therefor, not to exceed such appropriations nor to incur any obligations in excess thereof.

Provided that the interest on all securities held by the Texas School for the Deaf is hereby appropriated in part payment of the appropriations for the Texas School for the Deaf; the remainder of the appropriations to be paid out of the general revenue.

Provided further that the governing board of the several institutions hereinbefore provided for shall authorize and supervise the expenditure of the money for the particular institution, and no money herein appropriated shall be spent for any purpose whatsoever unless it is specifically authorized by said governing board and said governing board is held strictly accountable to the Legislature for the spending of the appropriations herein made, wisely, economically and for the best interest of the institutions and the State.

SEC. 3. The fact that the above and foregoing is one of the regular appropriation bills to pay the salaries of officers, teachers, employees, and to pay other expenses of maintaining and conducting certain educational institutions of the state for the two fiscal years beginning September 1, 1931, and ending August 31, 1931, creates a necessity for the expediting of the passage of this appropriation bill, and therefore, creates an emergency and imperative public necessity which demands that the rule requiring bills to be read on three several days be suspended and this Act shall become effective from and after its passage, and it is so enacted.
